

This year's campaign:

WINGED

FEED AND SEED CO.

Frank's Songbird Mix & Pine Tree Farms Suet Cakes

Why are we fundraising?

We are fundraising to help offset expenses associated with our winter sport: bussing to and from meets, expert coaching assistance, and raising money to help us pay for equipment.

What are we selling?

Frank's Songbird Mix - A premium songbird mix only sold at Winged Feed and Seed Company! This mix was specifically created for our local songbirds including: Cardinals, Chickadees, Goldfinches, White and Red Breasted Nuthatches, Downy Woodpeckers, Hairy Woodpeckers, Northern Flickers, Pileated Woodpeckers to name a few!

Pine Tree Farms Suet Cakes - Peanut Butter or Hot Pepper - Premium suet for our local woodpeckers and other hungry local songbirds! This no melt and no mess suet is perfect for our local birds and is a great help for them during our fall, winter, and spring seasons!
