

## DISTRICT 196

### Assumption of the Risk Waiver

Due to the highly contagious nature of the current COVID-19 virus outbreak, and the understanding that viruses can be contracted from both symptomatic and asymptomatic people, participation in activities that occur outside the state of Minnesota is at your own risk. School District 196 conducts regular and thorough cleaning and sanitation of its facilities and follows state and federal public health and safety guidance, but it cannot guarantee that participants will not be exposed to the COVID-19 virus or other illnesses and assumes no responsibility for the contraction of any illness while participating in District 196 classes or activities, including overnight trips. You acknowledge this risk on behalf of yourself and your minor child as a condition of participation.

Participants are prohibited from participating in summer camps and clinics when they are ill or experiencing symptoms of COVID-19 or subject to quarantine. Health and safety expectations during overnight activities including camps and clinics will be communicated to all participants and participants must comply with all communicated health and safety expectations. Failure to do so could result in removal from the activity and the premises.

I have read this **Assumption of the Risk**, fully understand it and its terms, understand that I have given up substantial rights by signing it, and do so freely and voluntarily.
